Sanders Sides: A show Review, with Karsi!

Sanders Sides, as seen on youtube, follows Thomas Sanders, a previous viner. Starting in 2016 with "My True Identity", Thomas and the manifestations of the aspects of his personality, although more commonly referred to as 'sides', work to solve some of his issues.

Why you should watch it - I personally find this series very fulfilling. Even though the team still plans on having another season, and a whole other side - haha side-series. TS sides discusses serious topics while still maintaining a humorous face. In addition to this, Thomas is an incredibly kind and funny soul, and, of course, it shows in his work.

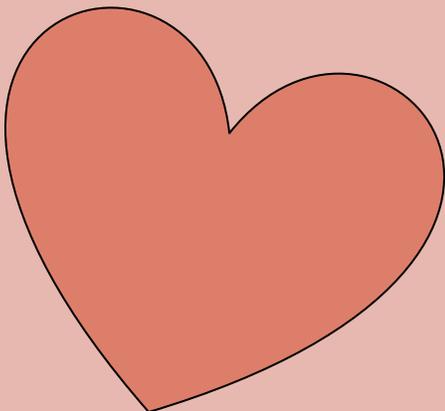

The Prom: A MOVIE Review with Karsi!

The Prom follows four rather unlucky Broadway stars. Emma Nolan faces the consequences of asking a girl to the prom, including the prom itself getting cancelled. Dee-dee Allen and Barry Glickman have to face the consequences of being narcissistic actors and make their way to solve what they see as a small issue in Edgewater, Indiana to get some credit, although things don't go as planned. First showing on Broadway, this Netflix adaptation stars James Corden, Meryl Streep, Nicole Kidman, Keegan-Michael Key, and more.

Why you should watch it - It's genuinely an incredible movie-musical, and I cried at least seven times while watching it, not to mention it's absolute bops of songs.

Valentine's Day Shout-Outs!

To: Everyone

A simple reason as to why you're beautiful. To anybody reading/listening to this, you are beautiful. I need you to know, whatever your insecurities may be, you are so beautiful. I might not completely understand the situation you're in, but I do know for a fact that you're pretty both on the inside and out. So, a simple reason as to why you are beautiful. It's because you are you. Nobody will ever change that fact. You. Are. You. From my perspective, all you of you are beautiful, including you reading this. I believe that you are beautiful. Happy Valentine's to everyone.

Legend Of Zelda

A video game review

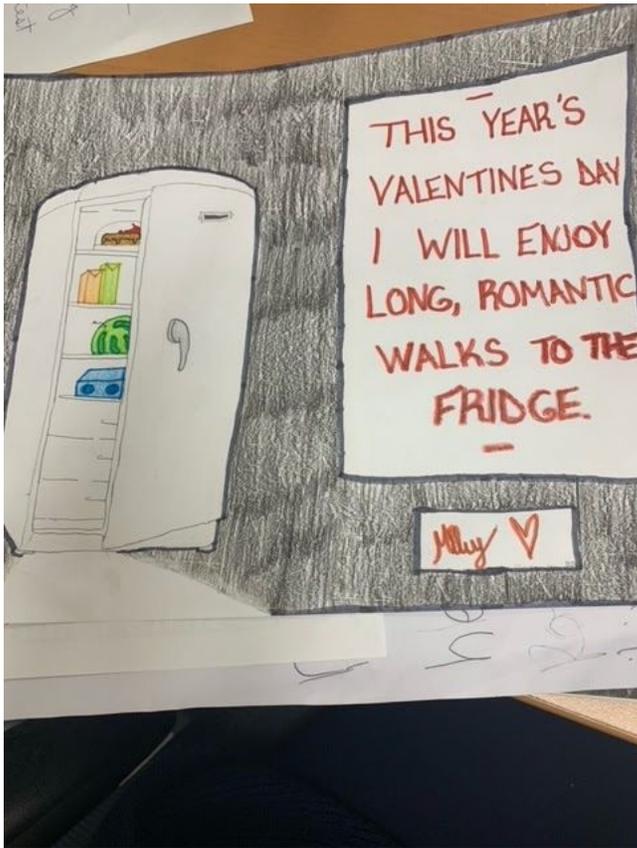

In the Nintendo game series The Legend of Zelda, you play as Link the protagonist. Link seeks to rid the land of Hyrule of darkness. I have played many of the games in the series. My favorites are: Breath of the Wild, Twilight Princess, Wind Waker, and Hyrule Warriors: Age of Calamity. If you like dragons, magic, and fighting, The Legend Of Zelda is a game that is perfect for you.

A Valentine's Day Story By: Mckinley Knapp

I wrote out the names of my ten friends onto Post-it notes, carefully folding them in half and using the sticky side to seal them shut.

Not having a single hat in the house, she brought in a small basket to put them all in. The first person to come over is Kristen. I hold out the basket, and she takes one out, looks at the name and smiles.

"Don't tell," I said. I was then getting ready to call the next person when Kristen had an idea. She said, "Have you got anything planned for the weekend? I'm going to my mom's and dad's because it's my mom's birthday. She loves having her birthday just before Valentine's Day. She says getting lots of cards in the post makes her very popular." I agreed to go with her, but nobody else could because they all had plans. Next up to draw was Levi. He drew the name, looked right at Kristen, then went and sat down on the sofa. Next up it was Triston, then Aniya, Alivia, Lyvia, Me, Trinity, Leslie, and Trisha. We all had a budget of \$15, so I went to Walmart got a box of chocolates and a stuffed animal.

Story Contest Competitor (Continued)

We all met up 2 days before Valentine's Day to do the trade. I pulled a name out, and it was Kristen's; she had gotten Triston. She got him a box of chocolates and a \$10 car race certificate.

Next, Triston went, and he got Aniya chocolate and a rose. Next was Aniya, then so on. Finally, it was my turn. I had gotten Trisha. I gave her a gift and sat down.

Leslie had gotten me 2 roses and some chocolate. We all decided that it would be a nice idea to go surprise the nurses with some stuff, so we spent around \$100 on stuff like chocolate, roses, stuffed animals, gift cards, and a couple other things. We took them there, and they all said thank you. We went home and hung out until someone pointed out another gift. "It isn't mine," said everyone.

"Look , Makinley, it has your name on it," said Aniya. I went over and opened it. It... Was... A... Bomb... It turned out to be from our worst enemy, _____. This was the Secret Valentine that changed our day.

Hey, but always keep a POSITIVE ATTITUDE, no matter what!!!!!!!

Quotes

Yep, we're doing quotes! Not all of these will be about Valentine's Day, maybe not any of them.

You're only given a little spark of madness. You mustn't lose it.
